1. BRIEF HISTORY OF TOWN PLANNING SCHEME

The Government of Maharashtra in exercise of powers conferred under clause 1 and 3 of subsection(c) of Section 42 of the Maharashtra Regional and Town Planning Act, 1966 (hereinafter referred to as “the said Act”) constituted Pune Metropolitan Region Area Development Authority (being a Authority controlled by the Government of Maharashtra) (here in after referred to as “PMRDA”) as Area Development Authority vide its notification no. TPS- 1815/1204/13/C.R.87/15/UD-13, dated 31/03/2015 and as Special Planning Authority (here in after referred to as “the SPA”) vide its Notification, No. TPS-1817/C.R.173/17/UD-13, dated 18/01/2018 for 842 villages, 13 Census towns, 7 Municipal councils, 3 Cantonment Boards and 2 Municipal Corporations from Pune District notified as Pune Metropolitan Region (hereinafter referred to as “PMR”).

Pune Metropolitan Region is the fastest evolving urban area in Maharashtra State as well as country undergoing profound economic and social change. It is spread over 10 talukas of Pune District and covers area of 6914.26 Sq.km. Talukas of Maval, Mulshi, Haveli and Pune city are totally included whereas Bhore, Velhe, Daund, Shirur, Purandar and Khed are partly included within the PMR boundary. Pune Metropolitan Region consists of important cities Pune and Pimpri-Chinchwad as well as 7 Municipal Councils (Chakan, Alandi, Talegaon Dabhade, Lonavala, Shirur, Saswad, and Rajgurunagar) including Lonavala Hill station, two Nagar Panchayat (Vadgaonmaval and Dehu) and 3 Cantonment Boards (Khadki, Dehu and Pune). It also includes 804 villages. The population of PMR as per 2011 Census was 7.5 million.

Village Aautade-Handewadi, Taluka Haveli of Pune district situated to the South East of Pune city in the Pune Municipal Corporation Area. In absence of effective planning policies and comparatively lesser pace of development of infrastructure in these areas, there has been haphazard and unplanned growth. To avoid further deterioration of the facilities here, it was

felt necessary to have restructuring of the planning approach and ensure comprehensive development.

The PMRDA has decided to prepare the Aautade-Handewadi Draft Town Planning Scheme No. 3, for the area and implement the proposals of the Scheme especially Ring Road (Sanctioned in Regional Plan of 1997) and other connecting roads, well in advance before any further development takes place. The survey and measurement work for the entire Scheme area has been carried out by latest method viz. total station method and survey maps have been prepared by computerized system on dated 12/01/2018.

The existing Regional Plan for Pune is sanctioned on 25/11/1997 vide notification no. TPS-1895/227/CR26/95/UD-13 and came into force from 10/02/1998. In pursuance of the same, for implementation of Regional Plan proposals, PMRDA vide its resolution No.1 dated 17/11/2018 for preparation of Town Planning Scheme under the Maharashtra Regional and Town Planning Act, 1966, declared the intention to prepare Aautade-Handewadi Town Planning Scheme No.3 under section 60(2) and declaration of intention vide public notice is published in the Maharashtra Government Gazette, Extraordinary, Part-I, Pune Division Supplement dated 20/11/2018 on page No. 1-2 and in the daily newspapers, “lokmat (Marathi) and Hindustan Times” dated 19/11/2018.

The existing Pune Regional Plan was sanctioned on 25/11/1997 and came into force from 10/02/1998. The ground situation has changed drastically since then. Some issues regarding the planning and development of the peripheral areas arose. These areas were included in the Regional Plan as No Development Zone, got excluded from the preview of the ULC Act as being not developed by virtue of their zoning for agricultural purpose. As a result, a cluster of illegally constructed building without proper layouts are developed in these areas.

The Government of Maharashtra vide Urban Development Department Notification No.PMC-2020/C.R.322/UD-22, dated 30.06.2021 has altered the limits of Pune Municipal Corporation by including the 23 villages including Aautade-Handewadi.

And whereas, as per the proposal of the said Region Development Authority, the said 23 villages are included in Regional Plan and no secondary and collector roads are proposed in the Regional Plan. The roads are developed as per land availability and with no planned alignment also widths are not as per requirement. As reservations for various public purposes are not proposed in the Regional Plan, no public amenities are developed. Thus area of the said 23 villages is of undeveloped nature and development in this area is unplanned and in uncontrolled manner;

And whereas, considering the above facts, the Government has notified the undeveloped area of the said 23 villages including Aautade-Handewadi in Pune Municipal Corporation limits and for this area Pune Metropolitan Region Development Authority is appointed as a Special Planning Authority; vide Urban Development Department Notification No.TPS-1821/1167/CR-98/2021/UD-13, dated 14/07/2021.

With the IT sector growing over the last few years more and more industries are coming to Pune. This has resulted in the rise in population which in turn has led to more construction projects coming up. The population pressure due to increasing migration in PMR has led to the haphazard development and a major impact on the growth of Pune City.

Proposed Modification Of Ring Road

Now Draft Development Plan of Pune Metropolitan Region Development Authority is published under section 26 (1) of Maharashtra Regional and Town Planning Act 1966, as resolved by Pune Metropolitan Planning Committee vide resolution no 1 dated 29th July 2021. Notice to that effect is published in Maharashtra Government Gazette, Extraordinary part-1, Pune Division supplement on 2nd August 2021. In the said draft development plan width of the 110 m wide ring road is proposed to 65 m.

Also Pune Metropolitan Region Development Authority has submitted the proposal to the Government vide it's letter dated 21.06.2022 to change the width of the said ring road from 110 m to 65 m Considering

the proposal, Government of Maharashtra is of the opinion to change the width of ring road from 110 m to 65 m and declared its intention to make the proposed modification and invite suggestions and /or objections under sub section 3 of section 20 of Maharashtra Regional and Town Planning Act, 1966 vide Government Urban Development Department's resolution no tps-1821/1103/CR120/2021/UD-13 dated 18.11.2021. Documents regarding these facts are provided by Metropolitan Commissioner and Chief Executive Officer PMRDA, vide letter dated 23.05.2022 and suggested to keep width of ring road as 65 m instead of 110 m.

The part of the above proposed modification is within the present TP Scheme boundary. The area under this town planning scheme is 94.44 Ha. The area of the Scheme is bounded into the North by the village Undri from Pune Municipal Corporation and to the East by Town Planning Scheme No 04 Holkarwadi, south by remaining land from village Aautade-Handewadi and to the west by T.P.S.No.2 Wadachiwadi .

The Town Planning Scheme is located about 2 km. from the State Highway (S.H 116), Katraj to Fursungi. There is sparse and scanty network of the existing roads around and within the area of the Town Planning Scheme.

The proposed Town Planning Scheme is located to the South-East of the Pune city. 65 m proposed Ring Road is passing through TPS and divides TPS area into two parts. The terrain of the area of the proposed Town Planning Scheme has a uniform gradient to proposed Ring Road & then start hilly area towards south. The northern area of Town Planning Scheme is relatively flat.

The Pune Metropolitan Region Development Authority has prepared the Draft Town Planning Scheme Aautade-Handewadi No.3 following are the all formalities and observing the legal provisions. Also PMRDA sanctioned draft TPS under section 68(2) Urban Development Department of State Government appointed an Arbitrator for said Town Planning Scheme.

Arbitrator after giving hearing and following due procedure prepare Preliminary Scheme and submit it to the State Government for sanction.

2. THE DRAFT SCHEME

The Pune Metropolitan Region Development Authority vide Resolution No 1 dated 17th Nov 2018 had declared its intention under Sub-Section (1) of Section 60 of the said Act, for making of Town Planning Scheme No 03 at Village- Aautade-Handewadi of Tehsil Haveli, District Pune. These lands are situated within village Aautade- Handewadi which is in proximity to village Undri. Undri is within Pune Municipal Corporation limits, towards the North side of TP Scheme area and Katraj Fursungi (bye-pass) Highway is running East-West and situated towards North of village Aautade-Handewadi is shown on the sanctioned Regional plan of Pune district. These lands under Aautade-Handewadi are in Agricultural/No Development Zone as per the sanctioned Regional Plan. Also looking at the majority of the land parcels within the village Aautade-Handewadi of the land parcels are in the shape of longitudinal strips which are neither suitable for non-agricultural use nor able to cultivate properly for agricultural purpose and almost all of these lands are land locked having no authorized roads. The land parcels which were found land locked within the proposal for Aautade-Handewadi T.P.Scheme boundary area require the T.P.Scheme to be prepared.

The Aautade- Handewadi TP Scheme is the Third TP Scheme within and by the PMRDA Authority (Aautade- Handewadi) (hereinafter referred to as “the said TP Scheme”) admeasuring 94,4,400 sq.m area of Aautade-Handewadi village. The area of the Scheme is bounded on the North by the village Handewadi and East by Town Planning Scheme no 04 Holkarwadi. The existing road from Undri-Wadachiwadi running from North to South direction is presently the main access corridor to the proposed Town Planning Scheme.

The Town Planning Scheme is located about 2 km. from this State Highway(S.H 116), Katraj to Fursungi. There are proposed 12 m, 18 m and 24 m. wide proposed roads falling within this said TP scheme area. The

Planning Authority, PMRDA has prepared the draft Town Planning Scheme by following the formalities and observing the legal provisions as described here in after.

A notice regarding declaration of making a Town Planning Scheme No 3 as per provision in Section 60(2) of MR&TP Act, 1966 has been published in the daily newspapers “The Hindustan Times (English)” and “Lokmat (Marathi)” dated 19th November 2018, as well as in the Maharashtra Government Gazette, Extraordinary Part-I, dated 20th November 2018. The notice was also displayed and affixed on Notice Board of PMRDA office on 19th November 2018. As provided under Sub-Section (2) of Section 60 of the said Act, a copy of notice published in government gazette together with a copy of the plan showing the area to be included in the scheme have been dispatched to the Urban Development Department (UD-13) and the Director of Town Planning, Maharashtra State, Pune within a prescribed period of 30 days.

The data regarding ownerships and measurement plans of all holdings that are included in the Scheme along with their area details were collected by the Planning Authority from the Revenue and Land Records Departments. The Land Records Department had provided certified Joint measurement plan of the area included in the TPS No.3. Thereafter, the Planning Authority has contemplated some of the important principle factors that are stated as under.

Planning Authority has prepared the draft TPS-3 for the purpose of implementing the road proposals in the sanctioned RP of Pune region along with certain modifications and to make a proper layout of the scheme area so that each and every holding will get an access and a shape for its further development. The Planning Authority (PMRDA) has taken a decision that 50% land of their original holdings will be returned to the land owners in the form of final plots under this scheme and 50% land acquired will be utilised for the proposed. 12, 18, 24m. roads for social infrastructure viz. amenities in the form of gardens and play grounds, amenity sites, electric sub-station

etc. AP/Sale plots, EWS/LIG/DP plots as per section 64(g-1) (i) (ii). As the section 64 (g-1)(i) prescribes provision of site for EWS/LIG housing and for the person dispossessed in the scheme to the extent of 10% of the scheme area, Planning Authority has decided to reserve such site at suitable location in Aautade-Handewadi village.

At present, proper access to the scheme area in Aautade-Handewadi is not available and almost all the lands are locked without any authorised roads and development is not possible without proper access. Therefore, Planning Authority has decided to introduce proper road network of 24m, 18m, 12m wide roads.

Accordingly, Planning Authority, (PMRDA) had prepared tentative proposals of the Town Planning Scheme, No.3. Thereafter, as provided under Rule No 4(1) of Maharashtra Town Planning Schemes Rules 1974, all the land-owners were called for public meeting/discussion. A presentation for understanding of the tentative proposals of the TPS-3 is made to the land owners by the officers of the Planning Authority and requested to give suggestions and objections.

The owners understood the scheme and expressed their satisfaction on the general layout of the scheme and on the location, size and shape of their reconstituted final plots. The scheme was generally welcomed by majority of the owners present during owners meet conducted on 23th-11-2018. After the owners meet, the Planning Authority had received suggestions/objections from some of the land owners stating that, they would possibly be allotted a single final plot in lieu of their several original plots. Most of the land owners requested to allot final plots as far as possible covering their original holdings. Many land owners were asking for their final plot abutting 18m to 24 m. wide road.

After conducting owners meet on 23th-11-2018 vide rule No 4(1) of TPS Rules, 1974 as said earlier and wherever possible, after incorporating suggestions received from the owners during the said meet, the draft TPS-3 was finally prepared. It was then submitted for consultation to the Hon.

Director of Town Planning, Maharashtra State, Pune, as required under Section 61 (1) of the said Act and as per rule no 4 (2) of Town Planning Schemes Rules, 1974 well in time, vide letter no. 1068 dated 19/09/2018 .

The Hon. Director of Town Planning vide his letter No. 1935 Dated 02 April 2019 had communicated his remarks in respect of the proposals of the draft TPS-3. Necessary changes suggested by the Hon. Director of Town Planning during the consultation were incorporated in the draft TPS-3 by the Planning Authority. Necessary modifications suggested by the Hon. Director of Town Planning M.S. Pune, were accordingly followed and the plan was then modified.

The Pune Metropolitan Region Development Authority, vide Resolution No.1, dated 14 June 2019 had approved the proposal of publication of modified draft TPS-3 as provided under section 61(1) of the said Act. A notice in this regard for inviting suggestions/objections from the public and from the land owners was published as provided under sub-section (1) of Section 61 of the said Act in English and in Marathi in the Maharashtra Government Gazette dated 20-26 June 2019 and also in Local newspapers namely, “Lokmat (Marathi)” and “The Indian Express (English)” dated 17th June 2019. The Planning Authority (PMRDA) had received suggestions/objections with respect to the publication of the Draft TPS-3 within prescribed limit as per section 67 of the said Act.

The suggestions were considered by the Planning Authority and the draft scheme was accordingly modified.

Section 68 (1) of the said Act provides that the Planning Authority shall, not later than three months from the date of the publication of the notice in the Official Gazette, regarding the making of the draft scheme, submit the same with any modifications which it may have made therein together with a copy of objections received by it to the State Government, and shall at the same time apply for its sanction, and whereas, the Government in Urban Development Department in exercise of the powers conferred under Subsection 1 of section 151 of the said Act, have delegated the power to

sanction the Draft Town Planning scheme under section 68(2) of the said Act, to the Metropolitan Commissioner of the Pune Metropolitan Region Development Authority (PMRDA) vide Notification No. DP/TPs-1817/973/CR-103/17/UD-13 dated, 13th September 2017.

The Metropolitan Commissioner and Chief Executive Officer, PMRDA has accorded sanction under section 68(2) to the Draft Town Planning Scheme, No.3 vide his Notification No DP/TPS-2,3,4,5/CR-63-66/Br.-1/2641/2020 dated 9th January 2020.after consulting with the Hon. Director of Town Planning, Pune. The Notification in this respect was published in the Maharashtra Government Gazette dated 10th January 2020.

There is a Odha/Nala having the discharge during rainy season at the South West to North East side of the TP Scheme boundary. This Odha/Nala is running South-East very nearby to the South boundary of the TP Scheme partly falling within the Scheme area and finally joining the lake towards the Eastern boundary. The Planning Authority has proposed storm water drain as a part of infrastructure developed along the proposed internal road within the TP Scheme area. So it is the responsibility of the Planning Authority (PMRDA) to provide for the smooth flow of this discharge for flow towards the TPS and carry the discharge outside the TPS area or as required according to the site conditions maintaining proper gradient/slope.

The following proposal is necessary to be carried out as stated below.

I. INFRASTRUCTURE LAYOUT

50 % of the total area of the TPS is allotted to the provision of roads and other infrastructure network and utilities within the TPS. Broadly, following are the sectors which are considered for provision of infrastructure facilities.

1.ROADS

Topographical survey of the entire area of TPS has been carried out. Based on this detail engineering of roads is worked out. Where a draft scheme has been sanctioned all lands required by PMRDA for the purpose specified in sub clauses (ii-b), (ii-e), (ii-f), (ii-q) of Clause (b) of Subsection (1) of section 59 of M.R. & T.P. Act 1966 shall vest absolutely in PMRDA free from all encumbrances. The TPS road widths varies from 24.0 m to 12.0 m. Typical cross sections are prepared considering the purpose for which the road will be used and the proposed road widths.

2. STORM WATER DRAINAGE

One major Nala running from South West to North East is identified in the scheme area. Length of Nala is 1.97 km. Total length for proposed storm water drain network is 14.53 km out of which 13.01 km is 900 mm pipe drain. Five Cross drainage works are proposed along the roads for TPS.

3. WATER SUPPLY SYSTEM

Presently the nearest option for source for water supply is identified at existing lake at Wadachiwadi Town Planning scheme area which is 2.2620 km away from the proposed ESR. Water can be transferred to the proposed ESR from the WTP to be constructed at Wadachiwadi by gravity. Two Elevated Service Reservoirs of 2.625 MLD are proposed on the South side of TPS 3.

Considering the water supply rate of 150 lpcd & losses at 15% a water demand of 9.52 MLD is observed. Considering 24 X 7 water supply, a Water Treatment Plant of 32 MLD is proposed out of which 14 MLD is consider for Aautade-Handewadi. Water supply network is proposed for 14.53 km with diameters ranging from 250 mm to 100 mm.

4. SEWERAGE SYSTEM

Based on the water supply and population of TPS-2 & TPS-3, sewage generation is estimated $12.6 + 8.4 = 21$ MLD. Hence 1 Sewage Treatment Plants of 21 MLD capacity is proposed. The location of STP is on the Northern side of TPS-3 area and near to the Nala. The sewage collection network has pipe diameter varying from 200 mm to 450 mm with a total length of 14.53 km. 15% of treated water is considered for reutilization.

5. SOLID WASTE MANAGEMENT SYSTEM

The entire TPS-2 & TPS-3 area is divided in 4 zones. It is proposed that two trucks covering a zone of approximate area of 57.13 Ha. will collect the waste from door to door. The authority will collect the waste accordingly and dispose it at the disposal site allotted outside the TPS. area. The authority will do the necessary procedure of waste segregation and treatment.

6. POWER SUPPLY:

PMRDA with the consent of Maharashtra Electricity Distribution Co. Ltd. will identify the source for supplying power to the TPS. Presently, the electric transmission is considered from source about 28 kms from Lonikand (Wagholi) away from TPS. The power distribution network within the TPS is estimated to be 7.26 km. 1 substation of adequate capacity is proposed within the TPS. The demand of about 218 street lights is considered in the total power demand estimation.

3. ARBITRATION PROCEEDINGS

These requests are considered wherever possible and complied with the satisfaction of the land owners. Special Development Control Regulations in addition to the sanctioned DCPR 2018 of PMRDA are formulated so as to make possible to consume the maximum FSI and to make suitable plots buildable.
