Authority, Pune

1. BRIEF HISTORY OF TOWN PLANNING SCHEME

The Government of Maharashtra in exercise of powers conferred under clause 1 and 3 of Section 42 C of the Maharashtra Regional and Town Planning Act, 1966 (hereinafter referred to as “the said Act”) constituted Pune Metropolitan Region Area Development Authority (being a Authority controlled by the Government of Maharashtra) (hereinafter referred to as “PMRDA”) as Area Development Authority vide its notification no. TPS-1815/1204/13/C.R.87/15/UD-13, dated 31/03/2015 and as Special Planning Authority (hereinafter referred to as “the SPA”) vide its Notification, No. TPS-1817/C.R.173/17/UD-13, dated 18/01/2018 for 842 villages, 13 Census towns, 7 Municipal councils, 3 Cantonment Boards and 2 Municipal Corporations from Pune District notified as Pune Metropolitan Region (hereinafter referred to as “PMR”).

Pune Metropolitan Region is the fastest evolving urban area in Maharashtra State as well as country undergoing profound economic and social change. It is spread over 10 talukas of Pune District and covers area of 6914.26 Sq.km. Talukas of **Maval, Mulshi, Haveli** and **Pune** city are totally included whereas **Bhor, Velhe, Daund, Shirur, Purandar** and **Khed** are partly included within the PMR boundary. Pune Metropolitan Region consists of important cities **Pune** and **Pimpri-Chinchwad** as well as 7 Municipal Councils (**Chakan, Alandi, Talegaon Dabhade, Lonavala, Shirur, Saswad, and Rajgurunagar**) including **Lonavala Hill station, two Nagar Panchayat (Vadgaonmaval and Dehu)** and 3 Cantonment Boards (**Khadki, Dehu and Pune**). It also includes 804 villages. The population of PMR as per 2011 Census was 7.5 million.

Village Holkarwadi, Taluka Haveli of Pune district situated to the South-East of Pune city in the Pune Municipal Corporation Area. In absence of effective planning policies and comparatively lesser pace of development of infrastructure in these areas, there has been haphazard and unplanned growth. To avoid further deterioration of the facilities here, it was

felt necessary to have restructuring of the planning approach and ensure comprehensive development.

The PMRDA has decided to prepare the Holkarwadi Draft Town Planning Scheme No. 05, for the area and implement the proposals of the Scheme especially Ring Road (Sanctioned in Regional Plan of 1997) and other connecting roads, well in advance before any further development takes place. The survey and measurement work for the entire Scheme area has been carried out by latest method viz. Total Station Method and survey maps have been prepared by computerized system on dated 12/01/2018.

The existing Regional Plan for Pune is sanctioned on 25/11/1997 vide Notification no. TPS-1895/227/CR26/95/UD-13 and came into force from 10/02/1998. In pursuance of the same, for implementation of Regional Plan proposals, PMRDA vide its resolution No.1 dated 17/11/2018 for preparation of Town Planning Scheme under the Maharashtra Regional and Town Planning Act, 1966, declared the Intention to prepare Holkarwadi Town Planning Scheme No.05 under section 60(2) and declaration of Intention vide Public Notice in the Maharashtra Government Gazette, Extraordinary, Part-I, Pune Division Supplement dated 20/11/2018 on page No. 1-2 and in the daily news papers, “Lokmat (Marathi) and Hindustan Times” dated 19/11/2018.

The existing Pune Regional Plan was sanctioned on 25/11/1997 and came into force from 10/02/1998. The ground situation has changed drastically since then. Some issues regarding the planning and development of the peripheral areas arose. These areas were included in the Regional Plan as No Development Zone, got excluded from the purview of the ULC Act as being not developed by virtue of their zoning for agricultural purpose. As a result, a cluster of illegally constructed building without proper layouts are developed in these areas.

The Government of Maharashtra vide Urban Development Department Notification No.PMC-2020/C.R.322/UD-22, dated 30.06.2021 has altered

the limits of Pune Municipal Corporation by including 23 villages including Holkarwadi.

And whereas, as per the proposal of the said Region Development Authority, the said 23 villages are included in Regional Plan and no secondary and collector roads are proposed in the Regional Plan. The roads are developed as per land availability and with no planned alignment also widths are not as per requirement. As reservations for various public purposes are not proposed in the Regional Plan, no public amenities are developed. Thus area of the said 23 villages is of undeveloped nature and development in this area is unplanned and in uncontrolled manner;

And whereas, considering the above facts, the Government has notified undeveloped area of the said 23 villages including Holkarwadi in Pune Municipal Corporation limits and for this area Pune Metropolitan Region Development Authority is appointed as a Special Planning Authority vide Urban Development Department Notification No.TPS-1821/1167/CR-98/2021/UD-13, dated 14/07/2021.

With the IT sector growing over the last few years more and more industries are coming to Pune. This has resulted in rise in population which in turn has led to more construction projects coming up. The population pressure due to increasing migration in PMR has led to the haphazard development and a major impact on the growth of Pune City.

Proposed Modification Of Ring Road

Now Draft Development Plan of Pune Metropolitan Area is published under Section-26(1) of the Maharashtra Regional and Town Planning Act 1966, as resolved by Pune Metropolitan Planning Committee vide Resolution No 1 dated 29th July 2021. Notice to that effect is published in Maharashtra Government Gazette, Extraordinary part-1, Pune Division supplement on 2nd August 2021. In the said draft development plan width of the **110m** wide Ring Road is proposed to be reduced to **65m**.

Also Pune Metropolitan Region Development Authority has submitted the proposal to the Government vide its letter dated 21.06.2022 to change the width of the said Ring Road from **110m** to **65m**. Considering the proposal, Government of Maharashtra is of the opinion to change the width of Ring Road from **110m** to **65m**. and declared its intention to make the proposed modification and invite suggestions and/or objections under Sub Section-3 of section 20 of Maharashtra Regional and Town Planning Act, 1966 vide Government in Urban Development Department's resolution no TPS-1821/1103/CR120/2021/UD-13 dated 18.11.2021. Documents regarding these facts are provided by the Metropolitan Commissioner and Chief Executive Officer PMRDA, vide letter dated 23.05.2022 and suggested to keep width of Ring Road as **65m**. instead of **110m**.

The part of the above proposed modification is within the present TP Scheme boundary. The area under this town planning Scheme is **130.78** Ha. The area of the Scheme is bounded to the North by the village Urulidevachi from Pune Municipal Corporation and to the East by Hilly area and to the west by village Town Planning Scheme No 05 Holkarwadi and to the south by Kanifnath Hills.

The Town Planning Scheme is located about 4.5 Kms. from State Highway (S.H116), Katraj to Fursungi. There is sparse and scanty network of the existing roads around and within the area of the Town Planning Scheme.

The proposed Town Planning Scheme is located to the South-East of the Pune city. 65m wide proposed Ring Road is passing through TPS and divides TPS area into two parts. The terrain of the area of the proposed Town Planning Scheme has a uniform gradient to proposed Ring Road and then start hilly area towards South. The Northern area of Town Planning Scheme is relatively flat.

The Pune Metropolitan Region Development Authority has prepared the Draft Town Planning Scheme Holkarwadi No.05 following all formalities

and observing the legal provisions. Also PMRDA has sanctioned Draft TPS under section 68(2) of the said Act. Urban Development Department of state government appointed an Arbitrator for the said Town Planning Scheme. Arbitrator after giving hearing and following due procedure prepare Preliminary Scheme and submit it to the State Government for sanction.

2. THE DRAFT SCHEME

The Pune Metropolitan Region Development Authority vide Resolution No 1 dated 17th Nov 2018 had declared its intention under Sub- Section (1) of Section 60 of the said Act, for preparation of Town Planning Scheme No 05 at Village- Holkarwadi of Tehsil Haveli, District Pune. The lands situated in village Holkarwadi are in proximity to village Uruli Devachi. Uruli Devachi is within PMC limits, towards the North side of TP Scheme area and Katraj Fursungi (bye-pass) Highway is running East-West and situated towards North of village Holkarwadi is shown on the sanctioned Regional Plan of Pune district. These lands under Holkarwadi are in Agricultural/No Development Zone as per the sanctioned Regional Plan. Also looking at the majority of the land parcels within the village Holkarwadi of the land parcels are in the shape of longitudinal strips which are neither suitable for non-agricultural use nor able to cultivate Properly for agricultural purpose and almost all of these lands are land locked having no authorized roads. The land parcels which were found land locked within the proposal for Holkarwadi T.P.Scheme boundary and these longitudinal changes require the T.P.Scheme to be prepared.

The Holkarwadi TP Scheme is the fifth TP Scheme within and by the PMRDA Authority (hereinafter referred to as “the said TP Scheme”) admeasuring 13,07,800 sq.m area of Holkarwadi village. The area of the Scheme is bounded on the North by the village Boundry of Uruli devachi and East by Hilly Area. The existing road from Handewadi-Holkarwadi running from North to South direction is presently the main access corridor to the proposed Town Planning Scheme.

The Town Planning Scheme is located about 4.5 km. from this State Highway(S.H 116), Katraj to Fursungi. Also connecting through with Major District Road (MDR.135) and Village road VR 159, 160 & 161. The existing North South approach road of 6 m width connects TPS with the Holkarwadi Gaathan at distance of 150 meters. There are proposed 12m, 15m, 18m, 24m wide roads. The Planning Authority, PMRDA has prepared the draft Town Planning Scheme by following the formalities and observing the legal provisions as described hereinafter.

A Notice regarding declaration of making a Town Planning Scheme No 05 as per provision in Section 60(2) of MR and TP Act, 1966 has been published in the daily Newspapers “The Hindustan Times (English)” and “Lokmat (Marathi)” dated 19th November 2018, as well as in the Maharashtra Government Gazette, Extraordinary Part-I, dated 20th November 2018. The Notice was also displayed and affixed on Notice Board of PMRDA office on 19th November 2018. As provided under Sub-Section (2) of Section 60 of the said Act, a copy of Notice published in government Gazette together with a copy of the Plan showing the area to be included in the Scheme have been dispatched to the Urban Development Department (UD-13) and the Director of Town Planning, Maharashtra State, Pune within a prescribed period of 30 days.

The data regarding ownerships and measurement plans of all holdings that are included in the Scheme along with their area details were collected by the Planning Authority from the Revenue and Land Records Departments. The Land Records Department had provided certified Joint Measurement Plan of the area included in the TPS No.05. Thereafter, the Planning Authority has contemplated some of the important principle factors that are stated as under.

Planning Authority has prepared the draft TPS-05 for the purpose of implementing the road proposals in the sanctioned RP of Pune Region along with certain modifications and to make a proper layout of the Scheme area so that each and every holding will get an access and a shape for its further

development. The Planning Authority (PMRDA) has taken a decision that 50% land of their Original holdings will be returned to the Land Owners in the form of Final Plots under this Scheme and 50% land acquired will be utilised for the proposed. 12, 15, 18, 24m. wide roads for social infrastructure viz. amenities in the form of Gardens and Play Grounds, amenity Sites, Electric Sub-station etc. AP/Sale plots, EWS/LIG/DP plots as per section 64(g-1) (i) (ii). As the section 64 (g-1)(i) prescribes provision of site for EWS/LIG Housing and for the person dispossessed in the Scheme to the extent of 10% of the Scheme area, Planning Authority has decided to reserve such site at suitable location in Holkarwadi village.

At present, proper access to the Scheme area in Holkarwadi is not available and almost all the lands are locked without any authorised roads and development is not possible without proper access. Therefore, Planning Authority has decided to introduce proper road network of 24m, 18m, 15m, 12m wide roads.

Accordingly, Planning Authority, (PMRDA) had prepared tentative proposals of the Town Planning Scheme, No.05. Thereafter, as provided under Rule No 4(1) of Maharashtra Town Planning Schemes Rules 1974, all the land-owners were called for public meeting /discussion. A presentation for understanding of the tentative proposals of the TPS-05 is made to the land owners by the officers of the Planning Authority and requested to give suggestions and objections.

The owners understood the Scheme and expressed their satisfaction on the general layout of the Scheme and on the location, size and shape of their reconstituted Final Plots. The Scheme was generally welcomed by majority of the Owners present during owners meet conducted on 23-11-2018. After the owners meet, the Planning Authority had received suggestions/objections from some of the land owners stating that, they would possibly be allotted a single Final Plot in lieu of their several original plots. Most of the land owners requested to allot Final Plots as far as

possible covering their Original Holdings. Many land owners were asking for their final plot abutting 18m to 24 m. wide road.

After conducting owners meet on 23-11-2018 vide rule No 4(1) of TPS Rules, 1974 as said earlier and wherever possible, after incorporating suggestions received from the owners during the said meet, the draft TPS-4 was finally prepared. It was then submitted for consultation to the Hon. Director of Town Planning, Maharashtra State, Pune, as required under Section 61(1) of the said Act and as per Rule no. 4(2) of Town Planning Schemes Rules, 1974 well in time, vide letter no.1068 dated 29/09/2018.

The Hon. Director of Town Planning vide his letter No. 1935 Dated 02 April 2019 had communicated his remarks in respect of the proposals of the draft TPS-05. Necessary changes suggested by the Hon. Director of Town Planning during the consultation were incorporated in the draft TPS-05 by the Planning Authority. Necessary modifications suggested by the Hon. Director of Town Planning M.S. Pune, were accordingly followed and the plan was then modified.

The Pune Metropolitan Region Development Authority, vide Resolution No.1, dated 14 June 2019 had approved the proposal of publication of modified Draft TPS-05 as provided under section 61(1) of the said Act. A Notice in this regard for inviting Suggestions/Objections from the Public and from the Land Owners was published as provided under sub-section (1) of Section 61 of the said Act in English and in Marathi in the Maharashtra Government Gazette dated 20-26 June 2019 and also in Local newspapers namely, "Lokmat (Marathi)" and "The Indian Express (English)" dated 17th June 2019. The Planning Authority (PMRDA) had received Suggestions/Objections with respect to the publication of the Draft TPS-05 within prescribed limit as per section 67 of the said Act.

The suggestions were considered by the Planning Authority and the draft Scheme was accordingly modified.

Section 68 (1) of the said Act provides that the Planning Authority shall, not later than three months from the date of the publication of the notice in the Official Gazette, regarding the making of the draft Scheme, submit the same with any modifications which it may have made therein together with a copy of objections received by it to the State Government, and shall at the same time apply for its sanction, and whereas, the Government in Urban Development Department in exercise of the powers conferred under Subsection 1 of Section-151 of the said Act, have delegated the power to sanction the Draft Town Planning Scheme under Section-68(2) of the said Act, to the Metropolitan Commissioner of the Pune Metropolitan Region Development Authority (PMRDA) vide Notification No. DP/TPS-1817/973/CR-103/17/UD-13 dated, 13th September 2017.

The Metropolitan Commissioner and Chief Executive Officer, PMRDA has accorded sanction under section 68(2) to the Draft Town Planning Scheme, No.05 vide his Notification No DP/TPS-2,3,4,5/CR-63-66/Br.-1/2641/2020 dated 9th January 2020. after consulting with the Hon. Director of Town Planning, Pune. The Notification in this respect was published in the Maharashtra Government Gazette dated 10th January 2020.

There is a Odha/Nala having the discharge during rainy season at the South-North side of the TP Scheme boundary. This Odha/Nala is running South-East very nearby to the South boundary of the TP Scheme partly falling within the Scheme area and finally joining the lake towards the Eastern boundary. The Planning Authority has proposed storm water drain as a part of infrastructure developed along the proposed internal road within the TP Scheme area. So it is the responsibility of the Planning Authority (PMRDA) to provide for the smooth flow of this discharge for flow towards the TPS and carry the discharge outside the TPS area or as required according to the Site conditions maintaining proper gradient/slope.

The following proposal is necessary to be carried out as stated below.

I. INFRASTRUCTURE LAYOUT

50% of the total area of the TPS is allotted to the provision of roads and other infrastructure network and utilities within the TPS. Broadly, following are the sectors which are considered for provision of infrastructure facilities.

1.ROADS

Topographical survey of the entire area of TPS has been carried out. Based on this detail engineering of roads is worked out. Total roads proposed at this stage cover up to 26.03 Ha i.e. 21.29 % (Including Ring Road) of the total TPS area. Total length of proposed roads is 6.86 km excluding Ring road. A length of 1.55 km is under Proposed Ring Road with the ownership of PMRDA. The TPS road widths varies from 24.0 m to 9.0 m. Typical cross sections are prepared considering the purpose for which the road will be used and the proposed road widths.

2. STORM WATER DRAINAGE

One major nala of length 1.47 km. running from South to North is identified in the Scheme area. Total length of nala will be retained. Total length for proposed storm water drains network is 11.70 km out of 900 mm pipe drain. Five cross drainage works are proposed along the roads for TPS.

3. WATER SUPPLY SYSTEM

Presently the nearest option for source for water supply is identified at “existing lake” at Holkarwadi Town Planning Scheme area which is 1.05 km away from the proposed ESR. Two ESR each are proposed for TPS 4 & 5 at the same location in TPS 4. Water can be transferred to the proposed ESR in TPS 4 from the WTP to be constructed at Holkarwadi by gravity. Two Elevated Service Reservoirs of 3.90 MLD are proposed along the north side of Ring road of TPS 4 for TPS 5.

Considering the water supply rate of 150 lpcd and losses at 15% a water demand of 34 MLD is observed. Considering 24X 7 water supply, a Water Treatment Plant of 44 MLD is proposed out of which 20.20 MLD is considered for Holkarwadi Town Planning Scheme No. 05. Water supply network is proposed for 13.15 km with diameters ranging from 250 mm to 100 mm.

4. SEWERAGE SYSTEM

Based on the water supply and population of TPS-4 & TPS-5, sewage generation for TPS-4 & TPS-5 is 28.57 MLD. Hence 1 Sewage Treatment Plants of 28.57 MLD capacity is proposed. The location of STP is on the Northern side of TPS-4 area and near to the Nala. The sewage collection network has pipe diameter varying from 200 mm to 450 mm with a total length of 13.15km. 15% of treated water is considered for reutilization.

5. SOLID WASTE MANAGEMENT SYSTEM

The entire TPS-4 & TPS-5 area is divided into 4 zones. It is proposed that two trucks covering a zone of approximate area of 56.75 ha will collect the waste from door to door. The authority will collect the waste accordingly and dispose it at the disposal site allotted outside the TPS. The authority will do the necessary procedure of waste segregation and treatment.

6. POWER SUPPLY:

PMRDA with the consent of Maharashtra State Electricity Distribution Co. Ltd. will identify the source for supplying power to the TPS. Presently, the electric transmission is considered from source about 28 kms from Lonikand (Wagholi) away from TPS. The power distribution network within the TPS is estimated to be 6.95 km. 1 substation of adequate capacity is proposed within the TPS 5. The demand of about 230 street lights is considered in the total power demand estimation.

II. ARBITRATION PROCEEDINGS

The State Government had appointed Shri Sanjay Chavan as an Arbitrator under sub-section (1) of section 72 of the Maharashtra Regional and Town Planning Act, 1966 for this Draft Scheme vide Urban Development Department Notification, TPS/1820/150/C.R.11/2020/Arbitrator/UD-13 Dated 07/02/2020.

The Arbitrator had undertaken the duties w.e.f. 02/03/2020 by publishing the Notice in Local News paper dated 02/07/2020 Indian Express and 03/07/2020 Dainik Sakal for information of the public.

Whereas Shri Sanjay Chavan had been transferred from Pune Metropolitan Region Development Authority Pune to the office of Kolhapur Urban area Development Authority, Kolhapur.

Thereafter, The State Government appointed Shri Ravindra N. Jayabhaye Assistant Director of Town Planning, Pune Metropolitan Region Development Authority, Pune as the Arbitrator under sub-section (1) of section 72 of the Maharashtra Regional and Town Planning Act, 1966 for this Draft Scheme vide Urban Development Department Notification, TPS/1820/150/C.R.11/2020/Arbitrator/UD-13 Dated 23/12/2021. The Arbitrator undertook the duties w.e.f. 06th January 2022 by publishing the Notice in Local Newspaper dated 25/01/2022 Punyanagari and Hindustan Times for information of the public.

Thereafter, The State Government appointed Shri M D Rathod as an Arbitrator under sub-section (1) of section 72 of the Maharashtra Regional and Town Planning Act, 1966 for this draft Scheme vide Urban Development Department Notification, TPS/1820/150/C.R.11/2020/Arbitrator/UD-13 Dated 20/09/2022 The Arbitrator undertook the duties w.e.f. 30/09/2022.

The Special Notices in the prescribed Form No.4 as per Rule No.13 (3) and Form No.5 as per Rule No 13(9) of the Maharashtra Town Planning Schemes, Rules 1974 has been served to each and every owner of the Original Plots during 04/11/2022 to 16/11/2022 , and hearing were conducted from 21/11/2022 to 30/11/2022.

It was found that some of the owners did not appear for hearing and a few could not receive the Special Notices due to changes in their addresses.

The Statements/Minutes of the hearing are recorded by the Arbitrator and decisions regarding reconstitution of Original Plots into Final Plots together with their titles, with shares, tenures are recorded in Table No. A.

III. PRELIMINARY SCHEME

The Arbitrator has subdivided the sanctioned Draft Scheme into two parts as i) the **Preliminary Scheme** and ii) the **Final Scheme** as provided under sub-section (3) of Section 72 of the said Act vide his order bearing no. TPS No.4/Arbitrator/Subdivision/2434 dated 21/12/2022. Then the layout of the Scheme has been finalised by the Arbitrator in light of the requests and points/issues raised by the land owners during the hearings and by the Special Planning Authority. Hence, the Final Plots to be allotted in lieu of their Original Plots to the land owners from this TP Scheme will be reconstitution of the lands situated only in the Scheme area While finalising the Scheme proposals and the layout, the Arbitrator has made following observations in the sanctioned Draft Scheme.

The **Draft Scheme** prepared by the PMRDA and sanctioned under Section **68(2)** of the said Act provides for:-

- i) Total area under the Scheme is 1307800.00 sq.m.
- ii) Area Under Economical Weaker Section/Lower Income Group/Dispossessed People.
(FP Nos. 169, 170, 171, 172, 173, 174,175, 176) admeasure to 121094.22 sq.m. area.
- iii) Final Plots are of area to the extent of 50 % of their Original Plots and allotted to Land Owners.
- iv) Gardens (FP Nos. 177, 178, 179, 180, 181, 182, 183),
Children Playground (FP Nos. 190, 191),
Play Ground (FP Nos. 184, 185, 186), Open Space (FP No. 187, 188, 189)
admeasure to 111894.82 sq.m. area proposed.
- v) Plots for Authority Plots (FP Nos. 207, 208, 209, 210, 211, 212)
admeasure to 47918.06 sq.m area proposed.
- vi) One plot for Electric Sub-Station (FP No. 193) is proposed which
admeasures 3479.59 sq.m area.
- vii) Two plot for Primary School (FP No. 202, 203) are proposed which
Admeasures to 13002.28 sq.m area.

- viii) One plots for Sewage Waste Collection Point (FP Nos. 206) is proposed which admeasure to 3598.86 sq.m area.
- ix) Four plot for Shopping Centre (FP Nos. 194, 195, 196, 197) are ,proposed which admeasure to 15186.82 sq.m area.
- x) Two plot for Informal Market (FP No. 198, 199) are proposed which admeasure to 2354.61sq.m area.
- xi) Two plot for Vegetable Market (FP No 200, 201) is proposed which admeasure to 5174.59sq.m area.
- xii) One plot for Bus Stop (FP Nos. 205) are proposed which admeasure to 1205.23 sq.m area.
- xiii) One plot for Dispensary / Hospitals (FP Nos.204) are proposed which admeasure 9850.89 sq.m area.
- xiv) Total Road area (TP Road and Ring Road) 292197.1324 sq.m area.
- xv) LAKE- In the TP Scheme existing Lake is allotted FP-168 of area 17000.00 sq.m. The lake is constructed by the Executive Engineer, Minor Irrigation, Zilla Parishad, Pune before 1990 by acquiring 17000.00 sq.m area of S.No-71/2 in village Holkarwadi. The lake is having water to its full capacity during the month of July to September and then it gradually reduce. In winter the water occupies about half the area of the Lake. In summer the water occupies about 1/3 area of the Lake. The lake is having waste weir. When water occupies the full capacity of the lake extra water get overflowed by waste weir.

It is observed that the PMRDA has allotted Final Plots at 50 % in area of respective Original Plots and the areas left out, are reserved for Amenities, Utilities, Green belt etc. at several places.

During hearing of the landowners, some have requested to amalgamate their plots being held in same ownership or held in the family or held in single partnership firm or company. A Few have asked for sub-division of their plots. Most of the land owners/farmers demand to amalgamate their various survey/hissa having a single plot and many of the land owners demanding to have their Final Plot facing on Ring Road. Few

plots have been given more than 50% area due to existing structure on their land.

These requests are considered wherever possible and complied with the satisfaction of the land owners. Special Development Control Regulations in addition to the sanctioned DCPR of PMRDA are formulated so as to make possible to consume the maximum FSI and to make suitable/buildable plots.

The area analysis of the **Preliminary Scheme** is as under.

Table No. 1-**Area Analysis of Lands reserved for SPA in the Preliminary Scheme**

The Arbitrator has recorded the minutes of the hearings and has taken decisions in respect of each and every applications Original Plot as Provided under Rule No.13 (4) (5) of the Maharashtra Town Planning Scheme Rules, 1974 before drawing the Preliminary Scheme as recorded in Table no. A. The decisions regarding redistribution and allotment of Final Plots to the owners of lands included in the Scheme as recorded in Table B. The Common decisions are also taken in respect of all the Final Plots of the Preliminary Scheme as given hereinafter. The period within which the SPA shall carryout works contemplated in the Scheme has been decided by the concerned Department of PMRDA, taking into consideration the time required for completing the whole work within the Scheme.

Hence, with due spirit of development of the Scheme area in a proper manner as desired and considering the areas available for consumption of higher FSI permitted therein in lieu of compensation, The Special Development Control Regulations to be made applicable to the Scheme area in addition to the DCPR-2018 are therefore prescribed as given hereinafter for the proper and desired implementation of this Scheme.

The Preliminary Scheme contains the following Plans and Tables as part of the Scheme.

Plan no 1 shows the location of the Scheme Area in the Regional Plan/within Pune District.

Plan no 2 Shows the Original Plots included in the Scheme in Green Colour(Scale 1:2500).

Plan no 3 Shows the Original Plots in green colour and super imposed there on with the Final Plots in Red colour (Scale 1:2500).

Plan no 4 Shows the Final Plots in Red colour allotted in lieu of Original Plots(Scale 1:2500).

Table A for Plot-wise decisions of the Arbitrator (A-3 size)

Table B for Allotment of Final Plots with ownerships, areas, tenures, etc. (A-3 size).

Report on Drawing of the **Preliminary Scheme** by the Arbitrator.

The Original Plots are the original holding of the Land-owners whose lands are included in the Scheme that existed on the date of Declaration of the Intention to make a Scheme under Section 60(1) of the said Act. The Final Plots are the reconstituted plots allotted in lieu of the Original Plots after making of the Preliminary Scheme to the land owners and to the SPA. The Preliminary Scheme has been drawn accordingly vide sub-section (7) of Section-72 of the said Act on 21/12/2022 within the prescribed time limit of Nine Months. The **Final Scheme** containing mainly the financial part as per Section-72(6) of the Scheme will be drawn separately within the prescribed time limit. Hence, details in Forms No. 1 & 2 prescribed under the Maharashtra Town Planning Schemes Rules, 1974 regarding

Compensation, Contribution, Cost of the Scheme etc. are not worked out in the Preliminary Scheme.
